CONTEST FOR ROSE CARNIVAL QUEEN

SPLENDID TRIP TO PORTLAND AND SEATTLE FAIR IS THE PRIZE OFFERED.

Drawings of the Portland rose carnival float that will represent the resources of Wallowa county, have been received and with a few alterations have been approved. The stock interests have of course the most prominent place but the grasses, alfalfa and clover will furnish a beautiful background of green for the more gay colors. The queen will occupy a high throne like seat with a graceful canopy cover.

As the float will be a county affair in its advertisement of the resources of this most favored region, the contest for the honor of queen is thrown open to the whole county. The expenses of the float, \$400, have been guaranteed by the Enterprise Commercial club, and the contest will be conducted under its supervision.

Splendid Trip Planned
The young lady who is successful will not only have her expenses paid to the Rose Carnival, represent the county by riding on the float, but a trip to the Alaska-Yukon-Pacific exposition at Seattle will be added.

All her necessary expenses such as railroad fares, sleeping car, dining car, hotel bills and admission into the fair grounds, will be paid from the time she leaves home on Tuesday or Wednesday, June 8 or 9, until she returns the middle or last of the following week, giving her several days each in Portland and Seattle.

It is proposed the honor of representing the county and the pleasure of the trip be given to the young lady who receives the most votes. Voting places will be designated in each town of the valley and at Flora. Nominations must be signed by at least two responsible citizens. Votes will be sold at 10 cents each and will be gathered and counted once a week and announced through the newspapers. Nominations may be filed at the voting places or sent direct to the Commercial Club at Enterprise. Fuller details of the trip, the Carnival and World's Fair and rules of the contest will be published later.

WEDDING BELLS.

Mr. Orville T. Littleton and Miss Agnes B. Horrell, both of Elgin, were married at the home of Mr. and Mrs. L. Sorenson on Sunday evening, Rev. W. P. Samms officiating. Mr. Littleton is an Enterprise boy and his many friends here wish the couple a long and happy married life.

ONLY ONE CONTEST.

C. H. Zuercher has declined the nomination for mayor, D. W. Sheahan that for city attorney, F. A. Reavis city treasurer and J. A. French, S. E. Combes and B. B. Boyd will probably refuse to stand for the council. This will leave the race between Taggart and Gally for recorder the only contest.

FARM HOUSE BURNED.

A large log house and granary on the Swalberg place on Alder Slope burned Sunday. It was owned by L. B. Emmons who had about \$200 worth of grain, potatoes and tools

in it. The residence part was occupied by Vigil and Allen Ownbey and their sister Hettie. They had gone away for the day leaving fire in the stove. They lost all their clothing and household effects.

Len Emmons has had a run of hard luck lately. A horse fell with him and the saddle horn broke several of Len's ribs. Another horse gave him a Jeffries punch in the face with its hard head and Len looks like he had tried to put out the fire by blowing on it. Time his luck changed.

He spent more than half a century as a minister of the Baptist church, but had long since retired from active work in that field. He came to this county 29 years ago. New Law Provides 6 Months School

Does Not Require Boards To Pay \$50 A Month Salary.

County Superintendent Conley has received the following letter from J. H. Ackerman, Supt. of public instruction, relating to the six months school law:

"A number of letters have come to this department asking whether or not school boards are compelled by the Hawley Act to pay teachers \$50 a month. If your school officers have this wrong impression, will you please do what you can to correct it. "This law provides that each district must have at least six months of school each year; it also provides that each district must have a school fund of at least \$300 each year; but it says nothing about teachers' salaries. If a school board can secure a teacher for less than \$50 per month the district can have a longer term than six months. The provision for a fund of \$300 was included in the bill, so as to make it possible for each district to have the required six months school. "The new edition of the school laws will be ready for distribution about May 15. The legislature provides enough to furnish each school officer with one copy."

Notice of Examination.
Notice is hereby given that the regular eighth grade examination will be held May 13—14 in the several school districts.

Teachers preparing classes for this examination will report number and names of applicants to this office at once.

Respectfully
J. C. CNLEY,
County Superintendent.

WALLA WALLA MAN BUYS POST PLACE

WILL MAKE IT IDEAL PEACH ORCHARD—OTHER REAL ESTATE DEALS.

The Grande River bottom farm, known as the George Post place of 160 acres just below Powwutka, has been sold by the Enterprise Real Estate company for George Hedges to E. A. McKenna for \$2500. Hedges, who resides at Turlock, Cal., traded with Post for the place a few months ago. Mr. McKenna is a Walla Walla capitalist. He visited the farm the past week, and other North Country points, in company with Judge Corkins. The land is a fine fruit ranch. Mr. McKenna intends fixing it up, and making it an ideal peach orchard.

The Enterprise Real Estate company sold a lot in Birchland addition for Michel Stubblefield to Matt Wood of La Grande; consideration \$135.

Litch Buys Martin Ranch.

Sam Litch concluded the deal Saturday for the Dick Martin ranch down Swamp Creek, 14 miles from Enterprise. He pays \$2400 for the 160 acres. The ranch has a fine, never failing spring and as Mr. Litch already owned 160 adjoining it gives him a fine 320 acre stock ranch.

The largest shearing plant in the county is on the Martin place and Mr. Litch will operate it this season.

Funk Doubles His Money.

The Turlock Journal tells of the sale of the Moine ranch of 77 1/2 acres, 3 1/2 miles southwest of Turlock by W. J. Funk to D. M. Johnson of Oakland for \$20,100. Mr. Funk bought the place a little over a year ago for \$11,500, according to the Journal, but his relatives in Enterprise understand it cost him but \$10,000, including considerable personal property. He made quite a lot of improvements on it, but on the other hand he cleared a good sum off it the past season.

The Journal says Mr. Funk is soon to move his family to Oakland where his son expects to engage in the study of dentistry.

This doubling his money in one year proves what this paper said when Mr. Funk went to Turlock, that he would "teach the natives how to farm."

Reavies Make Good Sales.

C. H. Zuercher brings the word from Hood River that Wm and Albert Reavies have recently made good sales of part of their property. William sold 10 acres for \$15,000 and Albert sold 10 acres for \$19,000 and Albert got the same sum for 7 1/2 acres. He paid \$4500 for the place a year ago.
